

WARNING

Potential Scams

Logansport Savings Bank would like to report two recent phishing scams. As a reminder, **DO NOT** give any banking information to anyone that you have not personally contacted either over the phone or through the internet.

1. Callers posing as representatives from the State of Indiana or the Department of Financial Institutions have been contacting individuals asking for personal information, including bank account numbers, allegedly to ensure that deposits are insured by the FDIC. These calls are fraudulent.
2. Automated calls claiming to represent banks call individuals and allege that their debit cards have been canceled. The recorded message tells recipients to call a phone number, where they are asked to provide a card number, expiration dates and PINS. These calls are fraudulent.

If anyone contacts you in regards to giving out any banking information, **DO NOT** give them any information and report the incident to the bank immediately.
